

VOICE ACTING

WHAT CAN YOU EXPECT?

Through this course participants gain an appreciation of the opportunities which are available to earn revenue or build a career around voice acting. They learn the skills and techniques which will make them great voice actor / actress, and plug into the networks which will help them begin their voice acting career or expand their existing voice acting work.

WHO SHOULD TAKE THIS COURSE?

This course is an ideal starting point for anyone who would like to develop a career around voice acting or generate revenue from voice acting as an alternative revenue stream. The course is a great refresher and enhancer course for practicing voice artists who would like to scale their work up a notch or two. Participants do not need to have any experience in voice acting or doing voice over productions.

WHAT IS INCLUDED?

In this course, participants will learn the difference between voice over productions and voice acting. The course provides participants with foundational skills and techniques to be great voice actors / actresses and to begin to practice voice acting professionally. Participants will gain an appreciation of the opportunities that exist for voice actors / actresses, and plug in to networks which will enable them to begin practicing their voice acting skills and earning revenue from voice acting jobs.

HOW SHOULD THE COURSE BE TAKEN?

This is an applied course which is best taken when participants can dedicate time to practice the concepts and techniques which are presented. Participants will ideally have access to a device which they can use to record and play back their voice acting practice. It is not necessary at this stage to have access to a production studio. Participants are encouraged to complete all the activities within the course and to use this course as an opportunity to build their portfolio of voice acting work.
